Subject: Re: Surety Concurrence for Maynard Topaz Mine S0230099

Jan: Thanks for your review of the Maynard Topaz Mine. The Trust Lands Administration has reviewed the plans and concurs with your estimate of the reclamation bond.

>>> Jan Morse 12/21/2007 1:00 PM >>>
Will,

I have reviewed this Small Mine Notice and calculated bond escalated for three years at \$13,300 and for five years at \$14,300. These are our standard rates for a three-acre mining disturbance.

Please send concurrence via e-mail.

Thanks!
